

## Attention Undergrad and Grad Students!

Haven't finished your schedule for Fall 2023? Unsure about that one class you did register for? Tired of remote offerings? Want to engage European history through a variety of mediums, from film to food?

HIS 353/553 20th Century Europe

Tuesday/Thursday 6:00-7:15 pm

Register today!

This course will provide an introduction to the major social, political, economic, intellectual, and cultural developments in Europe from the eve of World War I to the present. Students will come away from this class with a solid understanding of what has been called modern Europe's "age of extremes." That is, how the continent went from harbinger of democracy and modernity, to a breeding ground for extremism and war, and back to global powerhouse in a single century.
